FOR IMMEDIATE RELEASE:

RED ARROW PARK'S SLICE OF ICE TO HOST BREWERS' RACING SAUSAGES

Milwaukee – Milwaukee County Parks Director Sue Black will be on hand at Red Arrow Park's Slice of Ice, 920 N. Water Street, to welcome the Brewers/Klements Racing Sausages on Thursday, February 12, 2004. The Sausages, who are to arrive at the ice rink at 4:30 p.m., will meet and greet skaters while trying their luck on the ice.

"I love the idea of the Racing Sausages at the skating rink," commented Sue Black. "We welcome them with open arms and invite the public to come on out and join in on the fun."

This is another public appearance by the Brewers/Klements Racing Sausages as they prepare for their trip to Hollywood, California later this month to re-shoot scenes of 'Mr. 3,000', the movie that was filmed, in part, at Miller Park last summer. Milwaukee County Parks' and Brewer officials have already begun discussions for future public appearances by the Sausages at other park facilities, as both organizations gear up for the summer season.

Red Arrow Park's Slice of Ice, located at 920 N. Water Street, is the only refrigerated, outdoor skating venue in greater Milwaukee. Skating is free to the public and skates can be rented for \$3.75 a pair.

For more information on the Brewers/Klements Racing Sausage appearance at Red Arrow Park's Slice of Ice, please contact Sue Black at (414) 257-4501.
